

EXCLUSIVE

CF METAL-TEC 1400 MIL

The original *Silent Vibrating* Metal / Weapons Detector Designed For Law Enforcement

Silently Alerts The Officer To Weapons, Razor Blades, Handcuff Keys, And Drugs In Metal Foil, Inches Away Giving The Officer A Tactical Advantage During Searches And Pat Downs Of Suspects.

Unique Properties of the CF METAL-TEC 1400 MIL

Enhanced durability of the mechanical fasteners keeps the battery compartment door in place even in the most demanding operational environments.

Modified gasket material keeps water, sweat, blood, dust, dirt, and sand out to keep your unit working in the worst conditions.

Custom engraving included on multi-unit orders for identifying and tracking inventory in high mobility, continuous deployment, and high personnel turnover circumstances.
