LEGAL SUPPORT

Controlled F.O.R.C.E. takes stringent measures to maintain the integrity of our system, remain viable in the ever changing legal environment, and to adequately document our certification process. Our system is very recognizable, and we stand behind it 100%. Providing a Certified Departmental Instructor can demonstrate that they teach the system according to our lesson plan, and not beyond, there should never be a question as to the reasonableness of what was taught. As you know, there are too many variables as to how a system is applied in a response to resistance situation for a company to guarantee that the techniques used will work as expected or be the appropriate response. However, Controlled F.O.R.C.E. will gladly provide expert testimony should the techniques that we teach ever be questioned in a court of law.
