

Controlled F.O.R.C.E. Working Dogs

MILITARY

We sell partially/fully trained working dogs. We also sell "green" dogs that have been screened, selection tested, and are ready to be trained.

- Detector Dogs (narcotic, explosives, cadaver, custom)

LAW ENFORCEMENT

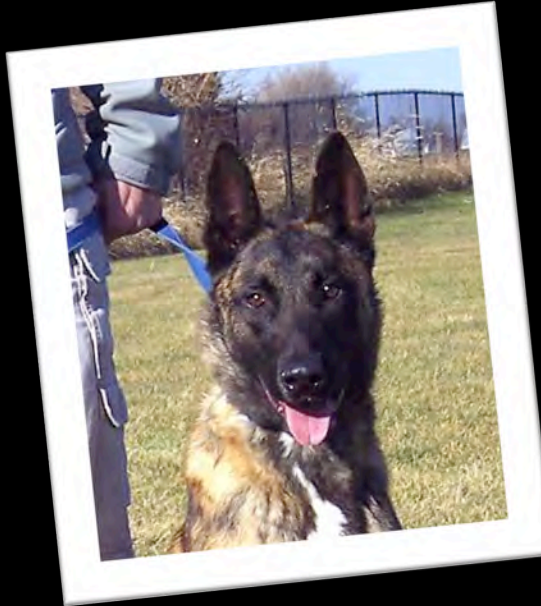

At Controlled F.O.R.C.E. Working Dogs we pride ourselves in creating tough police dogs that are also social.

- 6-8 Week Training Program
- In-Service Training

SECURITY

We provide security canines that are trained to company's specific needs. We do not provide security services.

- 6-8 Week Training Program
- In-Service Training

We offer certification up to the standards set by the Department of Defense (DOD), United States Police Canine Association (USPCA), SWG Dog, and North American Police Work Dog Association (NAPWDA).

OUR DOGS

We strive to have the finest selection of handpicked Domestic and Imported Working lines. By ensuring this, we are thoroughly equipped to provide exceptional dogs.

Our dogs begin training as soon as they arrive at our kennels. When they are paired with their handler, they can be trained in 6-8 short weeks for certification.

All of our dogs come with a one-year health/trainability guarantee.

John Bertuca

Trainer

Full time deputy sheriff, John Bertuca, has been training, handling, and certifying police K9 Teams for Law Enforcement agencies for the last 20 years. He is the head trainer for a local sheriff's office K9 Unit and an Illinois State Certified Police K9 Trainer.

Rik Wolterbeek

Kennel Master

Rik Wolterbeek has trained Police and Military dogs for 35 years. He has experience instructing Police Officers in obedience, patrol, tracking, area and building searches, narcotic detection, and explosive detection.

THE TRAINERS

OUR GOAL IS TO PRODUCE THE MOST HIGHLY TRAINED LAW ENFORCEMENT AND MILITARY K9 TEAMS IN THE WORLD, WITHOUT EXCEPTION.
